Amount of funding received per pupil	£300
Total number of pupils eligible for post LAC funding	5
Amount of funding received per pupil	£1900
Total amount of funding received	£10700

Spending and Outcomes for PPG 2015-2016

Item/Project	Objective	Cost	Outcome
Funding of extra-curricular clubs and activities	To ensure equality of access to all school led educational based activities/initiatives – in line with the school’s Single Equality Policy and Charging and Remissions Policy.	£1000	Children accessed all school trips, residentials, after school clubs and music lessons.
Employment of a Pupil Premium Champion	Two half days each week to meet with parents/carers, work with children and to create individualised plans for children eligible for PPG.	£2480	All children in receipt of PPG have comprehensive information regarding support plans, outcome information and parents/carers are well informed as to their developments in school and have been a key part to support gathering of information.
Additional TA hours on a one to one basis	To support individuals each week with mentoring, specific SEN intervention programmes and work within the classroom to reduce barriers to learning and to ensure all children make good progress across all subject areas.	£2000	Individualised strategies have been implemented to support social, emotional and academic development. Led by PPA, developed by TAs. All children have made progress across the academic year.
SENDCo release time	To update provision mapping, discuss progress with teachers and support with identifying resources and interventions. To ensure smooth transition into secondary school.	£1360	All children moving from KS2-3 were supported well in their transition, had regular visits and teachers were informed prior to official transition days. Meetings held with current Y5 families to begin transition process.
Money for ICT specific and other resources	To enhance learning and provide individualised support for children to use across the curriculum and to cater for a range of learning styles. To provide opportunities for service children to communicate with parents during the school day through ICT.	£2900	New cameras purchased for all classes with access to ICT to be able to upload photos etc. iPads and Apps purchased and used to support individuals. Other resources used within and outside the classroom to develop social skills, physical development and academic work.

Additional PSA time	To liaise with parents to support the equality of access to school led educational based activities/initiatives.	£310	Parents/carers fully aware of range of activities offered and access given. Clear communication between the home and school.
Small group booster support	Half a day each week support from an additional teacher enabling children to be taught English and Maths in smaller, more focused groups targeting areas for development in preparation for end of KS2 assessments.	£650	Although EXS not achieved, developed child readiness for secondary school and supported transition from KS2-KS3.
	Total	£10700
