

Health and Fitness/Global Goals Week—Monday 25th-Friday 29th June 2018

Just a reminder that it is our health and fitness week next week and pupils are invited to wear sports clothing all week. This can include football kits/non-school items due to pupils needing clean clothes each day. However, we would like to request that pupils wear P.E. kit shorts for their sports days. For pupils in Years 1-6, they should have a colour for their team. If you are unsure of your child's colour, please speak to a member of staff in Years 1 or 2. Pupils in Years 3-6 should know their colour as it corresponds to the house that they are in. Please ensure that pupils have a water bottle in school all week, wear sun cream and have a sun hat to wear as the weather is set to be warm.

During next week, we are also looking at our Global Goals, focusing on Clean Water and Sanitation (GG6), Renewable Energy (GG7), Sustainable Cities and Communities (GG11), Climate Action (GG13), Life Below Water (GG14), Life on Land (GG15). On Wednesday we are having a reduced paper day and are also focusing on reducing single-use plastic. We would be really grateful if you could support us with this as we are looking at reducing the amount of waste from packed lunches. If you could talk to your child regarding how items could be recycled and make a conscious effort to reduce single use plastic such as food wrap/food bags both at home and school, we would be very grateful.

We are holding Pick Up at Pick Up Time on Wednesday 27th June for a litter collection around the inside/outside of the school grounds and on the way home from school. If you could encourage your family to participate, even by taking a bag home to fill at a different time or coming along for 10 minutes after school, this would be a fantastic help to the local community.
