Year 6 Crucial Crew Visit – Wednesday 5th September 2018

Dear Parents/Carers,

Tomorrow, the pupils are going to Crucial Crew at Billingham Adult Education Centre. It is an innovative way of delivering personal safety education messages in order to prepare children aged 10/11 (Year 6) for their transition into Secondary School. This multi-agency event seeks to encourage model behaviour and good citizenship through a range of scenarios and information provided by a number of agencies.

The pupils will be driven in the school minibus and will be returning by the end of the school day. They will have lunch in school before attending.

Some parents/carers have already completed the annual consent forms that were sent out at the end of last term but, for those parents/carers have not yet returned them, please could you complete the attached form and return tomorrow morning? We are in the process of going paperless but cannot do this until all forms have been completed and returned to school.

Thank you for your support.

Louise Probets

(Head Teacher)
