Year 4 Spelling Shed

11<sup>th</sup> January 2018

Dear Parents/Carers,

We have subscribed, as a school, to a spelling website called Spelling Shed. This is a highly recommended site and is used by many primary schools. In school, we can use Spelling Shed to teach spelling via the use of games, worksheets and other activities as well as set spellings for children to practise at home. At home, the children can also access games to practise their spellings – the children have their own login details for this.

A list of spellings will be sent home on a termly basis and homework linked to these and activities on the Spelling Shed may be given to support the learning of these words. We would be grateful if you could support us by encouraging your child to use Spelling Shed at home ([www.spellingshed.com](http://www.spellingshed.com)). Login details will follow very shortly and we will ensure that they have been shown how to navigate the website. There is also an app that you can download.

Thank you for your support,

Year 4 team
