

## Year 4 Summer Newsletter

Welcome back! We hope you had a relaxing Easter holiday and are looking forward to the summer term. Year 4 Team

This term we will be studying a range of exciting topics. If anyone has any books or expertise in these areas please feel free to share them with us.

**Topic-** Peru

**RE:** Sikh and Christian celebrations

**Science:** Animals including humans

**PE -** Will continue to take place on Wednesday afternoons. Clearly labelled kit should be kept in school as this can change. **Swimming lessons for some pupils will continue in the summer term. These will begin 7<sup>th</sup> May. More details will follow next week for those pupils attending.**

### **Summer weather**

As we are now in the summer term, can you please ensure that all children have water bottles and a sun hat?

### **Spelling Shed and Times Table Rockstars -**

All children have received login details for each of the apps. If you need a login, please let Miss Muirhead know. They are a fun fantastic way for the children to practise their spelling and times tables. Year 4 are currently in the lead on the Times Tables Rockstars league! Well done everyone 😊

As always, we have an open-door policy, and should you have any questions or concerns please feel free to speak to staff.

Doors will be open from 8.50 every morning where staff will be available to chat.

**Homework -** In Year 4, homework is handed out every Friday, to be returned by the following Wednesday. This will be one piece relating to work covered in class during that week. In addition, there may be times when specific English and maths activities will be given for an extra boost. If your child does not bring their homework book home, this will be because it has not arrived in school. Homework will instead be sent home on paper. Please see your child's class teacher if you have any questions.

**Reading -** Please encourage your children to read as much as possible at home; it has such a positive impact on the work they do in school. Your child will read with an adult each week and should have their books and homework diaries in school at all times. We also supplement reading with guided reading activities in class.
