

St Francis of Assisi Voluntary Aided Church of England Primary School

Admissions Policy 2020-2021

February 2019 (to be reviewed February 2020)

Introduction

St Francis of Assisi Voluntary Aided Church of England Primary School is a Church of England Voluntary Aided Primary school in the Diocese of York and is maintained by Stockton-on-Tees LA.

The school provides a distinctively Christian education for children aged 3+ to 11+ years, with priority being given to children who live and worship within the ecclesiastical parish of St Francis of Assisi Church of England. A map showing the boundaries of the parish can be viewed online at <https://www.achurchnearyou.com/parishfinder.php>.

Historically, Anglican schools were parish schools providing education for the community in accordance with the principles of the Church of England. Thus the majority of York Diocesan schools were established to provide education for the children of the parish within a Christian context. This two-fold aim of being “distinctively Christian” and “serving the local community” is reflected in the school’s admission criteria.

St Francis is a Voluntary Aided school for which the Governing Body is the Admission Authority and responsible for admissions. It is guided in that responsibility by the requirements of law, the school trust deed, advice from the Diocesan Board of Education and its duty to the community and the Common Good.

Admission arrangements

The school’s published admission number agreed for admission to Reception in September 2020 is 60 (footnote 1).

If no more than 60 applications are received for admission to Reception, all applicants will be offered places.

The school will admit all children with a statement of special educational needs or an Education, Health and Care Plan (EHCP) in which the school is named.

Timing of Admission to Reception

Children will be admitted to the Reception Year at the beginning of the Autumn term before their fifth birthday.

Oversubscription criteria

When the number of applications for admission received is greater than the number of places remaining available (after the admission of any pupils with a statement of special educational needs or an Education, Health and Care Plan (EHCP) naming the school), the Governing Body/Admission Committee will apply the following criteria in strict order of priority to determine which children will be offered places.

1. Looked after children and previously looked after children (footnote 2)
2. Children who are resident within the ecclesiastical parish of Ingleby Barwick and
 - a) who have a parent/carer (footnote 3) who regularly and frequently attends worship at the parish church of St Francis (footnote 4) and who will have an elder brother or sister (footnote 5) in school at the anticipated time of admission*
 - b) who have a parent/carer (footnote 3) who regularly and frequently attends worship at the parish church of St Francis (footnote 4)*
 - c) who will have an elder brother or sister (footnote 5) in school at the anticipated time of admission

3. Any other children who are resident within the ecclesiastical parish of Ingleby Barwick
4. Children who are resident outside the ecclesiastical parish of Ingleby Barwick and
 - a) who have a parent/carer (footnote 3) who regularly and frequently attends worship at the parish church of St Francis (footnote 4) and who will have an elder brother or sister (footnote 5) in school at the anticipated time of admission*
 - b) who have a parent/carer (footnote 3) who regularly and frequently attends worship at the parish church of St Francis (footnotes 3 and 4)*
 - c) who will have an elder brother or sister in school at the anticipated time of admission (footnote 5)
5. Any other children who are resident outside the ecclesiastical parish of Ingleby Barwick

***Please note:**

A limit of 15 places (ie. 25% of the total) will be allocated on St Francis Church grounds i.e. in categories 2a and 2b, and 4a and 4b. These are referred to as foundation places. Should this limit be reached mid-category then those living closest to the school will be given preference (see Tie-breakers below). Any applicant not included in the first 25% will then be placed into the next appropriate category.

Tie-breakers

If the admission number is reached mid-category, applications in that category will be prioritised on the distance of the child's ordinary place of residence to the front main entrance to the school building measured as the crow flies i.e. in a straight line. The distance is always measured using the Local Authority's electronic system. If the distance from home to school does not distinguish between two or more applicants with equal priority for the remaining place, random allocation will be used as the final tie-breaker. This will be supervised by someone independent of the school.

Footnotes:

Footnote 1

This number has been calculated according to the net capacity of the school, which the law defines and has been agreed with Stockton LA.

Footnote 2

Definition of a Looked After Child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in section 22(1) of the Children Act 1989)

Previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order. An adoption order is an order under section 46 of the Adoption and Children Act 2002. A 'child arrangements order' is an order under section 8 of the Children Act 1989. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Footnote 3

Parent/Carer refers to the child's legal guardian.

Footnote 4**

- Regular and frequent attendance at worship at the parish church of St Francis is defined by this policy as a parent/carer who has attended Holy Communion, also called 'The Eucharist', at least once per month for a period of three years previous to application for Reception.
- At least one of the parents/carers will have been baptized by water in the name of the Holy Trinity prior to the three year period.
- Evidence of regular attendance (through the church attendance register) and baptism (certificate or an entry in a baptism register) will be sought.
- If a parent/carer has moved into the parish of Ingleby Barwick within the qualifying period of attendance required for a church place, and has begun attending the parish church of St Francis, evidence of the parent/carer's previous attendance at another Church of England parish church will be sought.

N.B. Applicants seeking a foundation place who have moved into the parish within the three years to the time of application and attend St Francis Parish Church will be required to provide evidence from their parish priest of their previous attendance at another Anglican Church prior to their move into Ingleby Barwick. The requirements as laid out in this policy defining a regular worshipper will apply to those who had attended other Anglican churches prior to their move and now attend at St Francis Church.

Footnote 5

Definition of Sibling

A brother and/or sister including full, step, half, foster, adopted brothers and sisters living at the same address and full brothers and sisters living apart.

Place of residence

The child's ordinary place of residence will be deemed to be a residential property at which the person or persons with parental responsibility for the child resides at the closing date for receiving applications for admission to the school.

Where parental responsibility is held by more than one person and those persons reside in separate properties, the child's ordinary place of residence will be deemed to be that property at which the child resides for the greater part of the week, including weekends.

****Please also note that the school has a nursery. Nursery admissions follow the same criteria as the rest of the school with the exception, in footnote 4, of two years attendance at St Francis of Assisi Church at the time of application, rather than the three years attendance required for the Reception Class. Acceptance into Nursery does not guarantee admission into the Reception Class – a separate application must be made for a place in Reception.**

Waiting List

1. Names of children will automatically be placed on the waiting list for this school, when the child has been refused admission
2. A vacancy only arises in the Reception Year when the number of offers to the school falls below the admission number (or a higher admission limit where one has been set)
3. The waiting list will be established on the first day of admission
4. The waiting list is determined according to the Governing Body's priority of admission over-subscription criteria

5. Following the offer day, should an application be received for the school where the pupil has a higher priority, as determined by the admissions criteria for a place at the school, they will be placed on the list, above those with a lower priority.

N.B The waiting list will operate until 31 December at the end of the Autumn Term following admissions to Reception in September, after which parents/carers will need to inform school that they wish their child to remain on the list.

False Information

1. Where the Governing Body has made an offer of a place at this school on the basis of a fraudulent or intentionally misleading application from a parent, which has effectively denied a place to a child with a stronger claim to a place at the school, the offer of a place will be withdrawn.
2. Where a child starts attending the school on the basis of fraudulent and intentionally misleading information the place may be withdrawn up to eight weeks after the child entering the school.
3. Where a place or an offer has been withdrawn, the application will be re-considered and a right of independent appeal offered if the place is refused.

How to apply for a place in Reception for September 2020

Applications must be made on the Local Authority's Common Application Form. Common Application Forms will be available from the Local Authority (LA). If you already have a child in the Nursery of this school, or another Stockton-on-Tees school, you will be given an application pack through the school. Applicants seeking admission under the school's faith-based criteria for foundation places (criteria 2a, 2b, 4a and 4b). After completion all Common Application Forms need to be returned to the Local Authority by the closing date for applications. If a place is refused, unsuccessful applicants will be informed of their right to appeal.

Applications outside of the normal admissions round

Requests for admission outside the normal admissions round should be made to the school. Applicants will be offered a place if one is available or placed on the waiting list if the class is full. If the application is refused, the applicant will be informed of their right to appeal, and will be advised to contact the Local Authority for other school places.

Appeals against the Governing Body's decision to refuse admission

1. If a place is not offered at the school, parents have the right of appeal to an Independent Appeal Panel formed in accordance with the legislation. Details of the appeals procedure will be sent to parents by the local education authority.
2. Parents who intend to make an appeal against the Governing Body's decision to refuse admission must submit a notice of appeal within 20 school days of receiving the refusal letter

to the address shown on the form. The appeal will be organised by the Democratic Services section of Stockton Borough Council and the school/governing body informed of the appeal.

Normally, appeal hearings will be held within six weeks of the closing date for receiving the notice of appeal.

Deferred Admissions

Parents may request that their child's school place be deferred until later in the school year and if they do this the place will be held for the child. They cannot, however, defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the school year for which the original application was accepted (see separate note on requests for admission outside a child's normal age group). Parents can also request that their child attends on a part time basis until the child reaches compulsory school age.

Requests for admission outside the child's normal age group

Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than Year 1.

Parents requesting admission out of the normal age group must put their request in writing, addressed to the Headteacher at the school, together with any supporting evidence that the parent wishes to be taken into account. The governing body will make decisions on requests for admission outside the normal age group on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; any information provided about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The governing body will also take into account the views of the Headteacher. When informing a parent of their decision on the year group the child should be admitted to, the governing body will set out clearly the reasons for their decision.

Where the governing body agrees to a parent's request for their child to be admitted out of their normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the local authority and governing body must process the application as part of the main admissions round, unless the parental request is made too late for this to be possible, and on the basis of their determined admission arrangements only, including the application of oversubscription criteria where applicable. The governing body must not give the application lower priority on the basis that the child is being admitted out of their normal age group.

Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.
